Walk to the Esterliturm

We will walk from the Fünfweiher near Lenzburg up to the Esterliturm (45m high; 253 steps) where, provided the weather is good, we will have a fantastic view from the Black Forest to the Alps.

From there we will walk down towards Egliswil and back to Lenzburg.

After this easy 2h walk we can go for a drink or a meal.

We will meet at 13.00 at the parking Fünfweiher (free parking but limited parking space, so try to share cars if possible) which is situated just to the right of the road from Lenzburg to Ammerswil at the edge of the forest.
