Waldhütte Fährich, Lengnau

Summer Party

Instead of the usual Garden Party, we have decided to have this event in the forest in a very comfortable hut (incl. WC), where we are optimally protected from heatwaves and downpours! This venue is great for children – games can be organized and walks of various lengths can be incorporated in the meeting, should it be desired.

As usual, we ask you to bring your own food for grilling. Salads, bread, soft drinks and beer are sponsored by the club. If you prefer wine, please bring your own. Please let Penny know what dessert or cake you can offer us. (No deep freeze available!)

There is a certain amount of parking space but, so that we can set up some games, after bringing your 'offerings', it would be appreciated if you could leave your cars 10 minutes walk away, at the entrance to the forest.

Please let us know if you'll be coming by **Tuesday 12th July**.

NB. Directions to Fährich Waldhütte:

From the roundabout in Lengnau continue, direction Endingen to a left turn to Degermoos, approx 300m further on. Follow that road uphill. At a fountain turn left – straight into the forest – first road inside the forest turn left. The signs from the main road are already marked 'Waldhütte'.
