## **‘FORTYSEVEN’ Thermal Spa, Baden**

FORTYSEVEN, the new Thermal Spa complex at Baden, opened in November 2021 and was designed by the star Swiss architect Mario Botta.

For a behind-the-scenes look at all the Spa has to offer, we have organised a 90-minute tour, in English, by one of Baden's official guides. There is an upper limit of 25 persons, to ensure that we can all hear what the guide is saying, so take care to reserve your place in our group as soon as you can.

The cost of the tour will be Fr 10 per person. Afterwards, we can have a drink at the Spa's Café / Bar.

Please make your reservation with:

We meet at 13:45 at the Spa entrance, at the bottom of Parkstrasse. The nearest place to park is the Parkhaus Bäder, on Parkstrasse.
