Visit to the Kindermuseum, Baden

Schweizer Kin-
dermuseum

In this lovely old house in Baden there is a wonderful “Kinder-museum”. They claim that the museum is for children from 5 to 95 so I am sure this covers all our members.

Join us once again for a get together to enjoy at leisure the pleasures of all the exhibits that will bring back memories of your childhood. Rather enough time to wander as you find best, without the restriction of a guide. After an hour to explore we will meet in the café for refreshments, time to exchange memories, etc. After that you will then have time to intensify your exploration - if you still have the stamina to continue

Entrance fee is CHF 12.00

We will meet at the entrance to the museum at 14.30h

Parking is available in the Ländli Parkhaus
